HEARTPRINT:
*We Should Love
One Another*

Ask your child what the word *neighbor* means. Explain that a neighbor can be someone who lives close to you, someone you go to church with, or a friend at daycare. Tell your child that God wants us to love our neighbors. Summarize the account of the Good Samaritan in the Bible and emphasize how the man from Samaria showed love to the man who was hurt. Then ask, "Who can you show love to today?"

Write a list of what love is according to 1 Corinthians 13. Use your list as a reminder to show love to others on a day-to-day basis.

How does loving God help us love our neighbors—especially those who are more difficult to love?

What are some ways you can demonstrate the love of God today?

Go to the Home Tools under the Bonus Tools tab at d6everyday.com for suggestions of situations to use to act out characteristics of love from 1 Corinthians 13 (kind, patient, unselfish, humble, forgiving, etc.). Discuss the different characteristics and which are easier to live out and which are harder. End by asking God to give each person opportunities to live out godly love every day.
